

eLearning

Paramount Schools of Excellence takes eLearning very seriously and works hard to make sure learning is always high-quality regardless of the academic setting. Because eLearning is not the normal process for education at Paramount Schools, PSOE parents can use the information on this page to help navigate the eLearning system. Parents are encouraged to use the links below to gain a deeper understanding of the process.

Call Center: 317-741-9589

Paramount Englewood utilizes a call center during eLearning days to make sure parents have direct access to someone who can help them quickly solve problems and answer questions. The Paramount Englewood Call Center is open 8 AM to 8 PM every weekday during eLearning days. Call center operators are ready to assist parents and help connect them to the appropriate professional to help as issues arise. Call centers are setup to help in the following areas:

Academic Support: **317-527-1792**

Technical Support: **317-643-0468**

Social Service, Counseling & Community Support: **317-617-3422**

Health Support: **317-432-3243**

Each of the support areas have a direct number listed above, but they may not be available after traditional work hours. If you cannot reach the direct line for your area of support, use the call center number and our staff will help you connect with the appropriate person.

The number for the Paramount Englewood call center is **317-741-9589**.
