SECTION 1: OVERVIEW/GENERAL INFORMATION:

McKinney-Vento Homeless Assistance Act:

The Education for Homeless Children and Youth (EHCY) program is authorized under Title VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 et seq.) (McKinney-Vento Act). The McKinney-

Vento Act was originally authorized in 1987 and most recently re-authorized on December 10th, 2016, by the Every Student Succeeds Act (ESSA). The McKinney-Vento Act is designed to address the challenges that homeless children and youths have faced in enrolling, attending, and succeeding in school.

Under the McKinney-Vento Act, State educational agencies (SEAs) must ensure that each homeless child and youth has equal access to the same free, appropriate public education, including public preschool education, as other children and youths. Homeless children and youths must have access to the educational and related services that they need to enable them to meet the same challenging State academic standards to which all students are held. In addition, homeless students may not be separated from the mainstream school environment. SEAs and local educational agencies (LEAs) are required to review and undertake steps to revise laws, regulations, practices, or policies that may act as barriers to the identification, enrollment, attendance, or success in schools of homeless children and youths.

Definition of Homeless (McKinney-Vento Act Sec. 725(2); 42 U.S.C 11435(2)):

Children who lack a fixed, regular, and adequate nighttime residence:

- "Double up" - Sharing the housing of others due to the loss of housing, economic hardship, or similar reasons.
- Living in motels, hotels, trailer parks, and camping grounds due to lack of adequate alternative accommodations.
- Living in emergency or transitional shelters.
- Living in a public or private place not designed for humans to live.
- Migratory children living in the above circumstances
- Living in cars, parks, abandoned buildings, substandard housing, bus or train stations, or similar settings
- Unaccompanied Youth - Children or youth who meet the definition of homeless and are not in the physical custody of a parent or guardian

Residency and Educational Rights:

Students who are in temporary, inadequate, and homeless living situations have the following rights:

- Immediate enrollment in the school they last attended or the school in whose attendance area they are currently staying, even if they do not have all of the documents normally required at the time of enrollment;
- Access to free meals and textbooks, Title I and other educational programs, and other comparable services, including transportation;
- Attendance in the same classes and activities that students in other living situations also participate in without fear of being separated or treated differently due to their housing situations.

Procedures for the Dissemination of Educational Rights:

All Paramount Schools of Excellence (PSOE) schools shall ensure that public notice of the educational rights of students and families in homeless situations is disseminated where children and youth receive services under the McKinney-Vento Act. Posters in both English and Spanish will be posted in all school buildings, local shelters, hotels, the post office building, city hall, the local library, and local food banks.

SECTION 2: IDENTIFICATION AND ELIGIBILITY

Title 1 Services and Funding:

In PSOE schools, all children and youth who qualify for McKinney-Vento services are automatically eligible for Title I, Part A services, whether or not they attend a Title I, Part A school or meet the academic standards required of other students for eligibility (Title I of the Elementary and Secondary Education Act, Sec. 1115(b)(2)(E); 20 U.S.C. 6315(b)(2) (E)). This automatic eligibility acknowledges that the experience of homelessness puts children and youth at significant risk of academic failure, regardless of their previous academic standing. Additionally, all children and youth who qualify for McKinney-Vento services who are doing well academically are entitled to receive additional non-instructional education-related support services needed to succeed in school.

School Selection:

PSOE will keep students in homeless situations in their school of origin, defined as the school attended when permanently housed or the school in which they were last enrolled unless it is against the parent or guardian's wishes or unless it is determined to be in the student's best educational interest. Students and youth who qualify for McKinney-Vento Services are eligible to remain in their school of origin for the entire duration in which they are homeless and until the end of any academic year in which they move into permanent housing. Students and youth who qualify for McKinney-Vento Services may also choose to enroll in any public school that students living in the same attendance area are eligible to attend.

Procedures to Identify and Verify Eligibility of McKinney-Vento Students:

Every returning and new student at PSOE must complete online registration via the schools Student Information System known as PowerSchool. One of the forms to be completed online is the PSOE McKinney-Vento Housing Questionnaire (Appendix A). The PSOE Housing Questionnaire is used to determine if the student may be facing a homeless situation. Follow-up contact to verify the information provided on the PSOE Housing Questionnaire will be conducted by either the district or building level McKinney-Vento Liaison to determine eligibility for McKinney-Vento services as determined by the law.

SECTION 3: SERVICES AND STANDARDS

Transportation:

Each PSOE child or youth facing a McKinney-Vento situation shall be provided services comparable to services offered to other students in the school selected, including transportation services.

PSOE will provide students who qualify for McKinney-Vento Services with transportation to and from their school of origin at a parent or guardian's request. For unaccompanied youth, PSOE will provide transportation to and from the school of origin at the request of the Network McKinney-Vento Liaison. If the student's temporary residence and the school of origin are in the same district, PSOE will provide and/or arrange transportation to and from school. Students and youth who qualify for McKinney-Vento Services are eligible to receive these transportation services for the entire duration in which they are homeless.

****"School of Origin" is defined as the school that the child or youth attended when permanently housed or the school in which the child or youth was last enrolled.****

Food Services:

Each PSOE child or youth facing a McKinney-Vento situation shall be provided services comparable to services offered to other students in the school selected, including school nutrition programs. Students and youth who qualify for McKinney-Vento Services are eligible to receive free breakfast and lunch as offered by the school for the entire duration in which they are homeless.

Textbooks and Technology:

Each PSOE child or youth facing a McKinney-Vento situation shall be provided services comparable to services offered to other students in the school selected including access to instructional materials, assessments, and technology. Students and youth who qualify for McKinney-Vento Services are eligible to receive free textbooks and technology fees as offered by each school for the entire duration in which they are homeless.

Academic Services & Standards:

Each PSOE child or youth facing a McKinney-Vento situation shall be provided services comparable to services offered to other students in the school selected including educational services for which the child or youth meet the eligibility criteria (Title I services, pre-school, educational programs for children with disabilities or for students with limited English proficiency), programs in vocational and technical education, and programs for gifted and talented students as available.

SECTION 4: ENROLLMENT

Enrollment Procedures:

Any child or youth who claims to be homeless will be immediately enrolled in a PSOE school, even if they do not have required documents, such as:

- school records,
- medical records,
- proof of residency, or
- guardianship papers or other documents.

Enrolling schools must obtain school records from the previous school, and students must be enrolled in school while records are obtained.

PSOE will provide enrolling families with a registration packet that includes copy of the PSOE Housing Questionnaire. Once the registration packet is completed, the school's registrar is responsible for reviewing the enrollment packet information to confirm if a family has indicated that they are currently residing with one of the following:

- Motel, car, or campsite
- With friends or family members
- Shelter or other temporary housing

If the family has indicated that one of these conditions best describes their current residence, a copy of the Housing Questionnaire will be provided to the appropriate school personnel (parent liaison, guidance counselor, building administrator). The appropriate school personnel (parent liaison, guidance counselor, building administrator) shall contact the parent/guardian about completing a McKinney-Vento qualification form (Appendix B). The completed qualification form shall be scanned and emailed to the Building-Level McKinney-Vento Liaison. The Building-Level McKinney-Vento Liaison will determine qualification status and

will communicate this qualification status to the parent/guardian. If the student qualifies for McKinney-Vento services, an intake form (Appendix C) will be completed and transportation (if needed) will be provided.

The McKinney-Vento Network Liaison will assist unaccompanied youth in choosing and enrolling in a school after considering the youth's wishes, informing the youth of their rights to transportation and assisting the youth in accessing transportation, and informing the youth of their right to appeal school or network decisions. The McKinney-Vento Network Liaison must ensure that unaccompanied youth are immediately enrolled in school pending resolution of disputes that may arise over school enrollment or placement.

Unaccompanied youth have the right to:

- Remain in their school of origin
- Transportation to and from the school of origin
- Immediately enroll in a new school serving the area in which they are currently living even if they don't have typically required documents (e.g. proof of guardianship)
- Equal access to programs and services such as gifted and talented education, special education, vocational education, and English Language Learner services.

All PSOE schools shall remove any/all barriers to the enrollment and retention of children and youth in homeless situations. Students in homeless situations shall be free from segregation, isolation, and stigmatization.

****The term "enroll" is defined as attending classes and participating fully in school activities.*** ***"School of Origin" is defined as the school that the child or youth attended when permanently housed or the school in which the child or youth was last enrolled.****

Appeal and Dispute Processes:

If a dispute arises over school selection or enrollment in a school, the child or youth shall be immediately admitted to the school in which enrollment is sought, pending resolution of the dispute. The child, youth parent, or guardian shall be referred to the McKinney-Vento Network Level Team, who shall carry out the dispute resolution process as expeditiously as possible in accordance with the enrollment disputes section of the McKinney-Vento Act as follows.

- Work with the McKinney-Vento Network and Building Level Liaisons to ensure that enrollment disputes are mediated in accordance with the enrollment disputes section of the McKinney-Vento Act as follows:
